So for this yest, not using to the popure of the statistical department of the constituent of commerce and laker, the United States has Imported sugar to a greater value than that of any other article, the total for the also mouths ending September 30 being one bundred and three million dollars. This is twenty-three millions more than the value of the sight imported for the same period in 1909. The figures show the growth to which the sugar production of this country may grow before the supply exceeds the domestic demand, while the latter is growing faster than the former at the present time.

CHANCES FOR A SLIP.

Returns for the county came in slowly and at four o'clock this morning the victories of Jarrett and Lane were not certain. The indications were that they are both elected.

HOUSE ALMOST SOLID.

The next house of representatives will be almost solidly Republican. Onhu. Maur. Kauar and East Hawari send solid Republican delegations, with the prospect of West Hawaii adding one and possibly more to the list.

The members of the house, so far as returns are in, will be: First representative district-Affonso (R), Hale (R), Moanauli (R),

Third representative district-Cockett (R), G. P. Cocke (R), J. W. Kawaakoa (R), S. Keliunoi (R), A. F. Tavares (R), E. Walaholo (R). Pourth representative district Kamanoulu (R), Long (R), Marcallino ... | fact the whole of the gathering
